CLT SKILLS DEVELOPMENT II™

October 16-17, 2009 9:00a.m. - 5:30p.m.
Prerequisite: CLT Skills Development I™

This training opportunity provides highly concentrated exercises, allowing the participants to focus their efforts on a few of the many skills which must be in the cued language transliterator's repertoire. This module is designed to address several of these skills in more depth, including: expressive cueing proficiency, receptive cueing proficiency, and paraphrasing.
